

# LEAD360 | THINK TANK

at GEORGETOWN UNIVERSITY

April 26 - April 27, 2019

## Dear Think Tank Fellow:

The leaders of LEAD360 are honored to have you join this exclusive and dedicated group. The purpose of this note is to provide a primer on the Think Tank portal, agenda, and logistics.

LEAD360 is focused on developing WYNs both for middle and senior business leaders and for the inclusive companies that employ them. To that end, we are very appreciative of the platinum support of Dr. Tiffany Dotson and Liberty Mutual Insurance. Moreover, we thank Diana Banks of Georgetown University's McDonough School of Business for partnering with LEAD360 on this ongoing project.

Over the next thirty days, you will receive three emails regarding registration, logistics, and pre-work materials. For your convenience, we have created the Think Tank Portal so that you have one designated location for all the items.

## Think Tank Portal

On March 26, you will receive a link to our Think Tank Portal. Here, you will complete three basic steps to get prepared for our time together. During step one, you will complete a short registration form and upload your bio and high-resolution photograph. Step two provides you with your pre-work and other session-related information. The final step is to upload your pre-work by April 16, 2019.

## Agenda / Logistics

For your convenience, we are providing this high-level agenda. The full agenda will be available through your portal. Again, we are very appreciative of your participation and look forward to a meaningful experience.

Regards,

Eric Wynstin Walton, PhD, MBA

## Meeting Leaders

**Cindy Kent**  
Board Of Directors  
Best Buy

**Darryl Smith**  
Senior Client Partner  
Korn Ferry

**EW Walton**  
CEO
